RSRC Members Helping Out

We can always use your time and your help keeps membership dues and program fees more affordable for everyone. Besides, it's fun to hang out and spend some time with your fellow members. We ask that each member contribute 10 hours of volunteer service each year. An hour is earned for every hour of participation. The 10 hour volunteer goal starts annually after 2009. We will greatly appreciate those who contribute more and we know that many of you already do. Almost any Club activity will count. See the website for suggestions.

RSRC Member: _____ **Renewal Date:** _____

Date	Event or Activity	Hours
	Total Hours	

You can contribute money instead of hours. The buy-out is $10/hour for the 10 hour goal. Please submit your hours or buy-out when you renew in 2011 and each year thereafter. You can pay the hours on-line in the membership renewal section of the website. Please forward this completed form to the volunteer director noted on the website at the time of your renewal. Thanks for helping out!

Volunteer Director: Please forward this form after review to the Treasurer
